Tutoring Experience

With 6 years of teaching experience, I've guided students through the intricacies of IB English and IGCSE English. My focus is on helping students develop their analytical skills while navigating complex literary texts. I also have experience working with Extended Essays, offering support and constructive feedback to ensure success.

Additionally, I've helped students in GCSE and A-Level English, preparing them for exams with a tailored approach that strengthens both their writing and comprehension abilities. My goal is to help each student achieve their academic targets with a clear understanding of the subject matter.
