🎓 Qualified Teacher | ETH Zurich | MSc in Physics

Equipped with an MSc in Physics from ETH Zurich and a BSc in Applied Physics from the University of Geneva, I've spent 5 years teaching IB and A-Level Physics. I focus on linking theoretical concepts to practical examples, helping students in Switzerland and globally excel in exams.

Teaches: IB Physics A-Level Physics IGCSE Physics GCSE Physics AP Physics

Curriculum: IB A-Level GCSE IGCSE AP

Qualifications

ETH Zurich: MSc in Physics (2015–2017)

University of Geneva: BSc in Applied Physics (2011–2015)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

I have five years of experience tutoring students in IB and A-Level Physics, guiding them through challenging concepts like mechanics and electromagnetism. My students have come from diverse backgrounds, and I enjoy helping them make connections between physics theories and everyday life.

In addition to school-level physics, I've also supported students with AP Physics and IGCSE, focusing on building their confidence and problem-solving skills. Many of my students have gone on to pursue further education in science, with a strong foundation in physics.
